--	--

RETESTING & REFURBISHING CENTER: (IS)	Name	E.F.M.T. SAS
	Address	ZAC des Bois Rochefort 5, chemin du Bas des Indes 95240 CORMEILLES EN PARISIS, FRANCE

Concerned equipments:

Periodic inspection and testing of transportable refillable Seamless Steel, Seamless Aluminium Alloy and Welded Steel gas cylinders performed in accordance to the following standard:

- EN 1802: Periodic inspection and testing of seamless aluminium alloy gas cylinders.
- EN 1803: Periodic inspection and testing of welded carbon steel gas cylinders.
- EN 1968: Periodic inspection and testing of seamless steel gas cylinders.

Scope:

1. Existing transportable refillable seamless gas cylinders made according to the *French ministerial decree of 9th Feb. 1982*, wearing the letters "AA" just before the fabrication number (Art.32 of the mentioned decree), see our certificate N° 0307/F 1590.
2. Existing transportable refillable gas cylinders made according to the directives 84/525/EC, 84/526/EC or 84/527/EC (gas cylinders wearing the 'e' mark).
3. Other existing transportable refillable seamless gas cylinders for which Apragaz has firstly performed the reassessment of conformity of the type.
4. Existing transportable refillable seamless gas cylinders wearing already the logo "π"

Gases: All compressed or liquefiable gases allowed by the requirements listed in ADR (Table P200).

Capacities: Up to 150 L

Test Pressure, Max fill. Pressure & Max permissible service temp: According to ADR (Table P200)

This is to certify that the 'in-house inspection service' (IS) put in place, covered / managed by their Quality Management System; has been successfully assessed against the requirements of Pt. 1.8.7.6 of ADR agreement.

The approval is subject to the continued maintenance of the Quality System in accordance with the requirements of the above mentioned directives and agreement; this shall be controlled by intermediate audits, inspections and surveys.

The certificate is valid until: 1st March 2018

On all cylinders described in the above mentioned scope, which have performed successfully the periodical inspection, the Cylinder Testing Facility (IS) is allowed to affix:

- The letter 'B'.
- Our stamp:
- The date of the periodical inspection 'YY(YY) / MM'.
- The "π" mark (if not already stamped on the cylinder) followed by our notified body identification number "0029".
